NOTIFICATION

In partial modification of the earlier notification (Ref. SJU/RO/ACA/21/2024-25 dated April 24th, 2025) regarding admissions to the 4th Year Bachelor's Honours Programme for the academic year 2025–26, the following changes are hereby notified for the information of all concerned:

1. The 4th Year Bachelor's Honours Programme will be offered in five disciplines: Chemistry, Computer Science, Physics, Psychology, and Statistics.
2. All students from the 2021 and 2022 batches who have studied any of these subjects under the two-major system during their three-year Bachelor's programme at St Joseph's University are eligible for admission, even if they have backlogs from previous semesters.
3. Students from the 2021 and 2022 batches who have studied a discipline related to any of the above-mentioned subjects are also eligible for the 4th year, provided they have completed at least 24 credits in the subject they intend to pursue for the Honours year.
4. Lateral entry applications from students of the 2021 and 2022 batches will be considered, provided the applicants have completed the three-year Bachelor's programme.
5. All students admitted to the 4th Year Honours Programme are required to sign an undertaking in the format prescribed by the University. This is part of the application form.
6. The fee structure for the programme will be notified shortly
7. Students may register for the Honours programme in the above disciplines by following this link: <https://www.sju.edu.in/4thyearbachelorshonors>.

Please note that applicants from St Joseph's University must register through their existing student portal. The registration procedure is outlined at the link provided above.
