Date: 30th August, 2023

Notice to all III Semester UG Students (Except B. Com, BBA & B. Voc)

All III semester students except (B. Com, BBA and B. Voc.) have to complete a two-credit Skill enhancement course (Skill based) in Artificial intelligence during this semester. The following courses have been identified and will be offered on Infosys platform.

All students are expected to LOGIN to this platform by **2nd September, 2023**. Kindly note that all the III semester students were shown the registration process last week.

Skill Based Courses	Course Level	Course type	Time(hrs)
Artificial Intelligence			
Artificial Intelligence: Types of Artificial Intelligence	Intermediate	Self learning	1
Machine Learning using Python Playground	Beginner	Self learning	3
Hands-on Artificial Intelligence with TensorFlow	Intermediate	Self learning	2.5
Big Data, Artificial Intelligence, and Ethics	Beginner	Self learning	12
Artificial Intelligence and Machine Learning Fundamentals	Beginner	Self learning	9
			27.5

Note: The students should complete 4th module Big Data, Artificial Intelligence, and Ethics or any other Artificial Intelligence course equivalent to 12 hours which are available in the Infosys Spring Board Platform. Students should complete 27.5 hours of course in total.

Students may note that **Skill Enhancement Course** is a course completion requirement. For each of the above courses, the candidate has to go through the assessment and certifications. The Course Completion Certificate for each of the modules (total 5) have to be produced to the mentors during the last week of October, 2023. A final end semester examination will be conducted on campus during the month of November, 2023.

To,
All III Semester UG Students (except B. Com, BBA & B.Voc.)
