

Dear Students,

Welcome to St Joseph's University!!!!

Kindly note that the student orientation program for the first year Undergraduate and Postgraduate students for the academic year 2024-2025 **will be held on the 2nd, 3rd, 4th and 5th of July 2024** in the **University campus. This is a mandatory program to be attended by all the first year students.** Attending student orientation at a university is crucial for familiarizing oneself with campus resources and building a support network with peers and faculty. It sets the foundation for academic success and smooth integration into university life.

The orientation program is organised in different batches. The students should report to the campus **on their respective day** of the orientation(**see the document attached**) and the help desk will assist in directing the students to the respective venues, based on the program chosen by the students. With the implementation of the state education policy, three majors for humanities and sciences courses are indicated. All students admitted are already notified this.

The details regarding the orientation dates and venues (program wise) can be seen in the document attached. The reporting time mentioned in the document should be strictly adhered to. ***Lunch will not be provided.*** Students can carry their own lunch or use the canteen facility available.

REGULAR CLASSES WILL COMMENCE FROM THE 8TH OF JULY 2024. The register numbers and the login credentials to access the student portal will be sent by the end of this month.
