Notice to all IV Semester B.A. & B.Sc. Students (except B.A. Visual Communications). reg.- Subject Specialisation in the final year

As per Resolution Ref. AC 5.1 dated 19 June 2024, the University has implemented a revised curriculum framework for all B.A. and B.Sc. Programmes (except B.A. Visual Communications). Under this framework, students will study three major subjects up to the fourth semester, followed by specialisation in one subject during the final year (3+3+1 pattern).

All students are hereby informed that they must opt for a single major from the combination of subjects in which they are currently enrolled. The selection should be based on individual interests and aligned with future career goals. Students are advised to make an informed and careful choice, as no changes will be permitted once the selection is registered.

Enrolment for final-year subject specialisation will be conducted through the Linways portal. Students are required to follow the guidelines outlined in the manual circulated along with this notice.

The portal will be open from 1.30 p.m. on 31 January 2026 to 11.59 p.m. on 4 February 2026.

Students are requested to strictly adhere to the deadline.

Upon logging in, you will see the following screen on your portal.

The screenshot shows a user portal dashboard. At the top, there is a clipboard icon with a clock. Below it, a message states: "Please complete the following mandatory tasks before accessing other features". User information is displayed: Name: SHEEKHA, Department: PHYSICAL SCIENCE, Program: B.Sc Physics, Chemistry, Mathematics, and Batch: BSC-PCM-2024. A table with three columns: #, TASK, and ACTION. The first row shows the task "CBE" with a "Take me there" button in the ACTION column. Below the table, a note says "Click on Refresh button once pending tasks are completed." and there is a "Refresh" button.

#	TASK	ACTION
1	CBE	Take me there

Click on **Refresh** button once pending tasks are completed.
