

“Industry Expert Session on Global Career Opportunities for Accountants” for I and II year B. Com and BBA students of Shift III

The School of Business organized an Industry Expert Session on "Global Career Opportunities for Accountants" aimed at enlightening the B.Com and BBA students of Shift III about the diverse career paths available in the field of accounting, particularly emphasizing opportunities in the United States.

Mr. Anoop Mehta, CPA, CGMA: Mr. Mehta served as the main resource person for the session. He elucidated the various career avenues accessible to accountants worldwide. Notably, he highlighted the increasing demand for qualified Indian accountants in the United States, citing the projection by the US Bureau of Labour Statistics of a substantial annual vacancy of accounting and auditing jobs from 2021-2031, estimated at around 136,400. Mr. Mehta emphasized the significance of professional accounting courses in securing lucrative placements for students in esteemed organizations.

Mr. Uttam Pai Umesh, CPA: Mr. Umesh, the Assistant Vice President of Academics and Corporate Relations (Learning and Development) division at Miles Education, provided detailed insights into the process of applying for the Certified Management Accountant (CMA) course. His presentation equipped students with comprehensive knowledge regarding the CMA certification and its benefits in advancing their careers in the field of accounting.

Understanding of global career opportunities for accountants, with a focus on the shortage of accountants in the United States.

Awareness of the projected demand for accounting and auditing jobs in the US from 2021-2031.

Encouragement to pursue professional accounting courses to enhance employability prospects.

Insight into the application process for the CMA course and its relevance in career advancement.

The Industry Expert Session concluded with a lively Q&A session, where students had the opportunity to seek clarifications and further insights from the speakers. Overall, the session proved to be highly informative and motivating, inspiring students to consider the vast array of opportunities available in the accounting profession and take proactive steps towards building a successful career in the field.

Continuation of such informative sessions to keep students abreast of industry trends and career opportunities.

Encouragement for students to explore professional certification courses like CMA to enhance their skillset and employability.
