ST JOSEPH'S UNIVERSITY

A Public-Private-Partnership University under RUSA 2.0 of MHRD
(Government of India), established by the Karnataka Govt.
Act No. 24 of 2021

INTERNATIONAL CONFERENCE ON CURRENT TRENDS IN INFORMATION TECHNOLOGY (ICCTIT-2025)

10th & 11th MARCH, 2025

Organized By
**SCHOOL OF
INFORMATION TECHNOLOGY**

Knowledge Partner

ICTACADEMY®

About the University

St Joseph's University (SJU) is a Jesuit University at the heart of Bengaluru, the Silicon City of India. Established in 1882 by Paris Foreign Fathers, the college management was handed over to the Jesuit order (Society of Jesus) in 1937. The college was first affiliated with the University of Madras and later with the Mysore and Bangalore universities. In 1986, St Joseph's College became the first affiliated college in Karnataka to offer postgraduate courses. In 1988, it became the first college in Karnataka to get a research center, and in 2005, it was one of the five colleges in Karnataka that was awarded academic autonomy. In February 2021, the St Joseph's University bill was presented in the Karnataka Legislative Assembly and was subsequently passed by the Legislative Assembly and Karnataka Legislative Council. The college received its University status on 2nd July 2022 and was inaugurated as India's first Public-Private-Partnership University by the Hon'ble President of India, Smt. Droupadi Murmu on 27th September 2022.

About the School of Information Technology

The School of Information Technology (SIT) offers programs related to computer science, data analytics, computer applications, and domain-specific applications. The SIT focuses on holistic learning that helps students make major contributions to the IT industry and serve society at large. The SIT has more than 2000 students and 40 committed faculty members, besides many visiting professors and working professionals from industry and research and development organizations. Faculty members are highly motivated to do pioneering research and excel in teaching and learning processes. They provide students with the opportunity to apply acquired knowledge to solve real-world problems and gain research experience. The placement record of SIT is always exceptional.

Objective of the Conference

The conference proposes publishing research papers on advanced engineering, science and technology techniques, experimental analysis and theoretical reviews. This conference will serve as a platform for academicians, industrialists, and students to learn more about the latest technologies in data science. All the papers presented at the conference will be considered for conference proceedings.

Call for Papers

The **International Conference on Current Trends in Information Technology (ICCTIT-2025)** will feature invited talks by distinguished scientists, eminent professors, and engineers. Prominent speakers will deliberate on current trends in Information Technology.

Topics of interest for submission include, but are not limited to:

- **Wireless Networks**
- **Bioinformatics**
- **Image Processing**
- **Signal Processing**
- **Internet of Things**
- **Machine Learning**
- **Deep Learning**
- **Health Care Data Analytics**
- **Business Intelligence**
- **Artificial Intelligence**
- **IoT and Big Data Applications**
- **Network Security and Cryptography**

Submission Guidelines

The papers must be original and should not have been published previously or be under consideration for publication elsewhere while being evaluated for this conference. The full manuscript must be submitted in **IEEE format** as a Microsoft Word document. Papers submitted for the conference will undergo a rigorous peer-review process. All accepted papers will be published in the **ICCTIT-2025 conference proceedings with ISBN**. Submit your paper to ncctit@office.sju.edu.in

Publication

All accepted papers will be published in the **ICCTIT-2025 conference proceedings with ISBN**. The selected best papers in this conference will be either published in **ICTACT (UGC CARE Listed) Journals** after the review process of ICT Academy or forwarded to **Scopus Indexed Journals**.

Important Dates

Conference Dates:

10th & 11th March, 2025

Paper Submission Deadline:

20th February, 2025

Notification of Acceptance:

25th February, 2025

Camera Ready Paper Submission:

28th February, 2025
