presents

THE BIRDS AND THE BEES

Wildlife Photography exhibition

Join us as we uncover the lives of the smallest ants to the prettiest birds through two incredible documentaries by our very own students as well as showcasing breathtaking photographs of the animal kingdom - mammals, reptiles and everything else from the birds to the bees, and both together if you know what we mean ;)

Date : 24 April 2024

Time : 9 am to 4:30 pm

Loyola Hall: Wildlife in focus

Documentary: Life of our
feathered friends

Faber Hall: 50 shades of Arthropods

Documentary: The Wonderful
World of Ants

Teacher Co-ordinator:
Dr. Magesh D
Ph: 8883934914

Student Co-ordinators:
Aditya - 9175320793
Paul - 9880008725
Abhijith - 9383452956
