Inauguration and Investiture Ceremony of the Computer Society

The Computer Society at St. Joseph's University, Bengaluru, marked a significant milestone with its inauguration and investiture ceremony, held on 29 June 2024. The event, orchestrated with meticulous coordination, exemplified a blend of inspiration, knowledge, and visionary leadership in the realm of computer science.

Commencing with a serene prayer that emphasized unity and wisdom, the ceremony set a contemplative tone. John viston Dias, Executive Chair of the IEEE Student Branch, warmly welcomed esteemed guests, faculty, and students, underscoring the society's objectives and the importance of the occasion.

Rev. Fr. Denzil Lobo SJ, Dean of the School of Information Technology, honored Dr. Sujatha DN, Chief Guest and Chairperson of IEEE Computer Society, Bangalore Section, acknowledging her profound contributions to education and computer science. Dr. Deepa Nagalavi, Chapter Advisor of the Computer Society, provided an insightful introduction, highlighting Dr. Sujatha's transformative role.

Dr. Sujatha DN delivered an enlightening address on the evolution of education and the significance of continuous learning in the rapidly evolving landscape of computer science. Her speech inspired attendees to embrace innovation and leverage platforms like IEEE for skill enhancement.

In his presidential address, Rev. Fr. Denzil Lobo SJ passionately advocated for a mindset of continuous learning and perseverance, emphasizing the role of individuals in driving positive change. Prof. Mohammed Mueen Pasha led the appointment of new office bearers, marking a pivotal moment for the society's leadership.

Franklin Jerold F, Chair of the Computer Society Chapter, concluded the ceremony with a heartfelt vote of thanks, expressing gratitude to all participants for their contributions to the event's success.

The inauguration and investiture ceremony of the Computer Society at St. Joseph's University, Bengaluru, was a resounding success, encapsulating inspiration, learning, and a vision for future excellence in computer science.
