

ST JOSEPH'S UNIVERSITY

SPORTSTAKES 2022-23

“The adrenaline rush, the sweat dripping down your face, and the pounding of your heart as you push yourself to the limit”; this is the distinctive feature of SPORTSTAKES 2023, the much-awaited Intercollegiate Sports Fest at St Joseph's University which was held from 10 April 2023 onwards in the University Ground. The event facilitated intense competition among students from various colleges/universities.

The event included so many different sports, like football, kabaddi, basketball, handball, kho-kho, badminton, throwball, volleyball, carrom, table-tennis, and chess. This variety provided plenty of opportunities for students to showcase their skills and talent. And with colleges participating in the event, it must have been a great opportunity for everyone to meet and compete with others from across the region.

It's great to hear that the university team at Sportstakes 2023 was successful and made their University proud. Winning prizes in their own sports fest must have been a great achievement for the teams. It's a testament to their hard work, dedication, and skills in their respective sports. It shows that the University values physical fitness and sportsmanship and that it has talented athletes who are capable of competing at a high level.

Overall, SPORTSTAKES 2023 was a big success, and a great opportunity for students to get active, have fun and build new friendships.
