

Snake awareness

On February 3rd 2024, a captivating seminar on snake awareness was conducted by Mr. Shuayb Ahmed, a distinguished snake rescuer renowned for his expertise in handling these creatures. Held in the premises of [St. Joseph's University, Xavier hall], the seminar aimed to enlighten attendees about the behaviour of snakes and the importance of gentle handling.

Mr. Shuayb Ahmed's extensive experience working with snakes served as the cornerstone of the seminar. He shared valuable insights garnered from years of interaction with these fascinating reptiles, emphasizing the significance of understanding their behaviour patterns. Through his anecdotes and real-life experiences, attendees gained a profound understanding of snake behaviour and the nuances of interacting with them.

The seminar was characterized by its interactive nature, allowing attendees to actively engage with Mr. Shuayb Ahmed and delve deeper into the subject matter. Attendees were encouraged to ask questions, seek clarification, and share their own experiences, fostering a dynamic learning environment.

Mr. Shuayb Ahmed's presentation style was both informative and engaging, captivating the audience from start to finish. His ability to elucidate complex concepts in a simple and accessible manner ensured that attendees, regardless of their background knowledge, could grasp the significance of snake awareness.

Overall, the seminar was a resounding success, leaving attendees enlightened and empowered with newfound knowledge about snakes and their behaviour. Mr. Shuayb Ahmed's passion for his work shone through, making the event not only educational but also deeply inspiring.
