**Extension of the last date of registration for the Foundation course
supplementary examination**

All students from batch 2018 (whose register numbers begin from 18) who did not register for the Foundation Course Supplementary Examination before 17.5.2023, may apply for the foundation course supplementary examination (odd and even semesters) on the linways portal by paying a total fee of Rs. 1000 (It consists of a prescribed registration fee of Rs. 500 and an additional late fee of Rs. 500). Those who belong to batches prior to 2018, can apply for the supplementary examination only if they have already taken a year extension. If a student has more than one supplementary examination, he/she can apply for all the pending courses. The portal will be opened between 11 am on 25 th May 2023 and 4 pm on 29 th May 2023.

No further extensions will be granted beyond the above-mentioned deadline.

If students face difficulty in registering on the portal, kindly meet Mr. Shanto from the IT cell, well before the last date of registration.
